Bando Erasmus+/KA1 Staff Mobility for Teaching Assignment (STA) a.a. 2019/2020

**scadenza: 14 ottobre
2019 ore 12:00**

1. Presentazione e scopo del programma

Il Programma d'azione comunitaria Erasmus+, prevede una tipologia di mobilità riservata al personale docente che consente di beneficiare di un periodo di insegnamento all'estero presso un Istituto di Istruzione Superiore che abbia un Accordo Erasmus+ con l'Università Ca' Foscari Venezia e che sia presente nell'allegato disponibile alla pagina <https://www.unive.it/pag/11719/>.

Obiettivi del programma:

- offrire al personale docente occasioni di aggiornamento e di crescita professionale;
- promuovere lo scambio di competenze e buone pratiche nell'ambito pedagogico e metodologico della didattica.

2. Requisiti di ammissione

a) Categorie ammesse alla Mobilità Erasmus:

- Ricercatori a tempo determinato e indeterminato
- Professori associati
- Professori straordinari/ordinari
- Professori a contratto
- Assegnisti di ricerca

b) Per partecipare alla mobilità i partecipanti dovranno essere in possesso dei seguenti requisiti:

- essere in servizio presso o avere un contratto di insegnamento in corso con l'Università Ca' Foscari Venezia durante tutto il periodo della missione per mobilità. Potranno partecipare anche i docenti a contratto che, pur insegnando nel solo 2° semestre, possano produrre evidenza dell'instaurazione del rapporto giuridico con l'Ateneo prima della data dell'effettiva mobilità (es. contratto firmato, lettera di incarico, assegnazione della docenza nel 2° semestre o altro documento utile);
- non avere residenza anagrafica nel Paese scelto come destinazione della mobilità.

3. Budget disponibile per il finanziamento delle mobilità

Per l'a.a. 2019/2020, l'Agenzia Nazionale Erasmus+ INDIRE ha assegnato un budget complessivo di **Euro 14.052,00** per il finanziamento di borse riservate alla mobilità per docenza. Il numero di persone che potranno beneficiare delle suddette borse verrà determinato successivamente alla selezione delle candidature in base a:

- Numero delle candidature idonee;
- Durata delle mobilità proposte dai candidati;
- Tipologia destinazione (v. paragrafo *Contributo comunitario*).

Nel caso in cui il numero di candidature sia elevato e le mobilità proposte superino il budget disponibile, l'Amministrazione potrà stilare una lista del personale idoneo che potrà partecipare ad una mobilità Erasmus+ senza ricevere alcuna borsa comunitaria. Il personale idoneo potrà svolgere la mobilità a spese proprie o con fondi messi a disposizione dalla struttura di appartenenza, previa autorizzazione del Direttore del Dipartimento di afferenza.

Il budget complessivo potrà essere incrementato e potrà essere previsto il finanziamento delle mobilità dei partecipanti risultati idonei senza borsa, qualora dovessero rendersi disponibili fondi su altre voci del finanziamento dell'Agenzia Nazionale Erasmus+ INDIRE.

In caso di disponibilità di fondi residui nel budget assegnato dall'Agenzia Nazionale Erasmus+ INDIRE a seguito della scadenza del presente bando, l'Amministrazione potrà riaprirne i termini per assegnare ulteriori borse di mobilità. L'Ufficio Relazioni Internazionali – Settore Mobilità – ne darà opportuna comunicazione.

4. Durata della mobilità e ore di docenza

- a) La mobilità dovrà essere effettuata tassativamente dopo l'accettazione e la firma del contratto finanziario e dovrà concludersi **entro il 30 settembre 2020**, come previsto dal Regolamento del Programma Erasmus+.
- b) In linea con il Regolamento del Programma Erasmus+, la mobilità potrà avere una durata minima di 2 giorni lavorativi e massima di 2 mesi, ai quali potranno essere aggiunti 2 giorni di viaggio A/R. **In ogni caso, l'Ateneo finanzia per ciascun partecipante fino ad un massimo di 7 giorni di mobilità (5 di attività più 2 di viaggio A/R) indipendentemente dalla durata della missione.**
- c) Per mobilità fino a 7 giorni (5 di attività + 2 di viaggio A/R) le ore minime di docenza devono essere 8. Qualora la durata della mobilità sia superiore ad una settimana intera, il numero minimo di ore di insegnamento per i giorni aggiuntivi deve essere calcolato nel modo seguente: 8 ore diviso 5, moltiplicato per il numero dei giorni aggiuntivi.
- d) In caso di attribuzione della borsa, la durata della mobilità espressa in fase di candidatura sarà vincolante ai fini dell'erogazione del contributo finanziario. Per mobilità che dovessero durare più di quanto dichiarato nella candidatura l'Ufficio Relazioni Internazionali non garantirà la copertura finanziaria dei giorni eccedenti. Questa misura è volta ad assicurare una corretta programmazione finanziaria delle mobilità.

5. Destinazioni

Il partecipante dovrà consultare la lista delle Università di destinazione, pubblicata sul sito di ateneo al link <https://www.unive.it/pag/11719/> e, tramite autonoma ricerca, prendere contatti con l'ateneo presso il quale desidera effettuare il periodo di insegnamento.

6. Come partecipare

Prerequisito per la candidatura è la presentazione di un piano di lavoro concordato tra il Dipartimento di afferenza e l'Istituto di accoglienza (il *Mobility Agreement*, disponibile alla pagina <https://www.unive.it/pag/11719/> e allegato al presente bando).

Per partecipare sarà necessario compilare **entro le ore 12:00 del 14 ottobre 2019 il questionario disponibile alla pagina <https://forms.gle/eMiiv4JvExRV53RLA>**. Durante la compilazione del questionario verrà richiesto di allegare il *Mobility Agreement* compilato in tutte le sue parti e completo di tutte le firme. Le firme richieste sono quelle del candidato, del Direttore di Dipartimento di afferenza e della persona di contatto presso l'ateneo

ospitante. **Le domande sprovviste di Mobility Agreement o con Mobility Agreement incompleto e/o privo di firme non potranno essere accettate.**

Nel caso in cui il partecipante compili più volte il questionario, verrà considerata ai fini della selezione l'ultima candidatura presentata entro la scadenza del bando.

E' possibile candidarsi per una sola destinazione. **L'attività di docenza dovrà essere effettuata esclusivamente presso l'ateneo ospitante indicato nel Mobility Agreement e nel contratto finanziario.**

Sono previsti finanziamenti aggiuntivi per il personale con bisogni speciali che intende partecipare al programma Erasmus+. Il contributo sarà erogato sotto forma di rimborso, previa richiesta da parte dell'Ufficio Relazioni Internazionali – Settore Mobilità all'Agenzia Nazionale Erasmus+ INDIRE e subordinatamente alla conferma da parte della stessa, sulla base dei costi reali che il partecipante sosterrà per spese legate alle proprie necessità durante la mobilità. A tale scopo, il personale interessato avrà la possibilità di segnalare le proprie esigenze al momento della compilazione del questionario di candidatura e sarà tenuto a prendere appuntamento con il Settore Mobilità entro la data di scadenza del presente bando, per compilare la modulistica eventualmente necessaria per la richiesta di finanziamento aggiuntivo.

7. Contributo comunitario

I vincitori beneficeranno di un contributo finanziario per il supporto individuale ed il viaggio. Gli importi massimi finanziabili sono calcolati in base alle tabelle redatte dall'Agenzia Nazionale Erasmus+ INDIRE, in linea con le direttive della Commissione Europea e varieranno a seconda del Paese di Destinazione e delle fasce chilometriche associate al viaggio.

a) Supporto individuale

L'erogazione del contributo sarà subordinata alla consegna della documentazione relativa alle spese sostenute, per un importo massimo pari alla diaria indicata nella tabella seguente:

Massimali dell'importo giornaliero rimborsabile

| | Paese Ospitante | Importo |
|-----------------|--|----------------|
| GRUPPO A | Danimarca, Finlandia, Islanda, Irlanda, Lussemburgo, Liechtenstein, Norvegia, Svezia, Regno Unito | € 144 |
| GRUPPO B | Austria, Belgio, Germania, Francia, Italia, Grecia, Spagna, Cipro, Paesi Bassi, Malta, Portogallo | € 128 |
| GRUPPO C | Bulgaria, Croazia, Repubblica Ceca, Estonia, Lettonia, Lituania, Ungheria, Polonia, Romania, Slovacchia, Slovenia, Ex Repubblica Iugoslava di Macedonia, Turchia, Serbia | € 112 |

Nell'importo giornaliero, rimborsabile previa presentazione di ricevute, rientrano le seguenti categorie di spesa:

- vitto
- alloggio
- trasporti urbani

- spese di assicurazione sanitaria a copertura delle spese mediche, farmaceutiche e ospedaliere nei paesi extra UE per i quali il Ministero della Sanità non ha stipulato apposite convenzioni (es. Turchia).

Fatto salvo il limite giornaliero totale sopracitato, le spese di vitto, alloggio e taxi non dovranno in ogni caso superare i massimali imposti dal Regolamento di Ateneo per le missioni, consultabile alla pagina

https://www.unive.it/pag/fileadmin/user_upload/ateneo/norme_regolamenti/regolamenti/amministrativo_contabile/missioni.pdf, che ogni partecipante è tenuto a conoscere e rispettare.

Sono rimborsabili esclusivamente le spese sostenute nelle giornate in cui si è svolta attività didattica e nei giorni di viaggio.

I candidati titolari anche di partita IVA che risulteranno selezionati hanno l'obbligo di presentare fattura elettronica per le spese sostenute durante la mobilità in applicazione di quanto stabilito dagli artt. 4 e 21 DPR 633/72 dall'art. 54 del DPR 917/86. La fattura andrà inviata all'Uff. Relazioni Internazionali. In ottemperanza a quanto previsto dal Regolamento di Ateneo per le missioni non è previsto per questi casi l'erogazione di alcun anticipo né l'emissione della carta di credito virtuale.

b) Viaggio

Il contributo è calcolato sulla base di scale di costi unitari per fasce di distanza. La fascia chilometrica si riferisce ad una sola tratta del viaggio mentre la tariffa corrispondente copre sia il viaggio di andata che quello di ritorno.

L'erogazione del contributo è subordinata alla consegna della documentazione relativa alle spese di viaggio sostenute, per un massimo pari all'importo indicato nella tabella seguente:

| Fascia chilometrica | Importo massimo rimborsabile per viaggio A/R |
|---------------------|--|
| 10-99 Km | € 20,00 |
| 100-499 km | € 180,00 |
| 500-1999 km | € 275,00 |
| 2000-2999 km | € 360,00 |
| 3000-3999 km | € 530,00 |
| 4000-7999 km | € 820,00 |
| 8000 km o più | € 1.500,00 |

La distanza dovrà essere verificata utilizzando esclusivamente lo strumento di calcolo fornito dalla Commissione Europea e disponibile al seguente indirizzo web:

https://ec.europa.eu/programmes/erasmus-plus/resources/distance-calculator_en

Non è prevista la copertura dell'assicurazione di viaggio per il volo, che potrà essere acquistata dal partecipante a proprie spese.

Il luogo di partenza (per il viaggio di andata) e di arrivo (per il viaggio di ritorno) certificato dai documenti di viaggio dovrà essere l'aeroporto di Venezia Marco Polo o Treviso Canova, in caso di viaggio aereo, la Stazione Ferroviaria di Mestre o Venezia Santa Lucia, in caso di viaggio in treno. In caso di convenienza economica o logistica giustificabile, il dipendente può valutare di partire da una città diversa, previa consultazione con l'Ufficio Relazioni Internazionali – Settore Mobilità.

Nei casi in cui si volesse associare la mobilità Erasmus+ ad altra missione successiva di diversa natura e finalità, non potranno essere rimborsati con fondi comunitari né il viaggio dal luogo della mobilità all'altra destinazione, né il viaggio di ritorno in Italia. Per quanto riguarda il soggiorno, potrà essere pagato fino all'ultimo giorno indicato nell'attestato rilasciato dall'Istituzione straniera presso la quale la mobilità Erasmus+ è stata effettuata.

L'organizzazione del viaggio (prenotazione voli e/o altri mezzi di trasporto, alloggio, visto, ecc.) è a cura del beneficiario selezionato. L'Ufficio Relazioni Internazionali non può in alcun modo anticipare il contributo finanziario né farsi carico di pagare in anticipo estratti-conto e/o fatture emesse da agenzie di viaggio

8. Assegnazioni delle borse di mobilità

La commissione valutatrice, composta da due membri del personale dell'Ufficio Relazioni Internazionali, di cui uno con funzioni di segretario, e da due membri del personale docente dell'Ateneo, formulerà la graduatoria dei vincitori e degli idonei sulla base dei seguenti criteri e punteggi:

- **PIANO DI LAVORO:**
verrà attribuito un **punteggio massimo di 60** punti alla valutazione del mobility agreement di ciascun partecipante, tenendo conto dei seguenti criteri:
 - obiettivi della mobilità
 - valore aggiunto della mobilità,
 - programma di insegnamento,
 - impatto della mobilità

- **1° MOBILITA' ERASMUS/OVERSEAS NEGLI ULTIMI 2 ANNI:**
verrà attribuito un **bonus di 40 punti** al partecipante che non abbia svolto alcuna mobilità Erasmus+ o Overseas negli ultimi due anni accademici (2017/2018 – 2018/2019)

In caso di parità, verrà privilegiata la candidatura che favorisce un'equa distribuzione dei dipartimenti di afferenza dei richiedenti e –in seconda istanza- l'omogeneità dei ruoli dei richiedenti (Ricercatori a tempo determinato e indeterminate, Professori associati, Professori straordinari/ordinari, Professori a contratto, Assegnisti di ricerca).

La graduatoria verrà pubblicata nell'area riservata del sito di ateneo **entro il 22 ottobre 2019** e sarà visualizzabile accedendo con il proprio account istituzionale.

9. Prima della partenza

Ciascun vincitore (o idoneo che effettuerà la mobilità con fondi propri o erogati dalla propria struttura di appartenenza), dovrà fissare un appuntamento con l'Ufficio Relazioni Internazionali - Settore Mobilità (erasmus@unive.it, 041 234 8064) per la firma del contratto finanziario, avendo cura di portare con sé copia della richiesta di missione.

10. Al rientro dalla mobilità

Erasmus + / KA1 Staff Mobility for Teaching Assignment (STA) 2019/2020 Call for Applications

deadline:
October 14th,
2019 at 12:00

1. Presentation and admission requirements

The Erasmus+ Programme provides teaching opportunities for teachers of higher education institutions who are willing to undertake a period of teaching abroad at an Institute of Higher Education that has an Erasmus + Agreement with Ca' Foscari University of Venice (available at <https://www.unive.it/pag/12601/>).

Aims of the programme:

- Offering teachers opportunities for professional growth
- Promoting the exchange of skills and experience on teaching methods.

2. Entry requirements

a) Eligible Teaching figures:

- Short term and permanent researchers
- Associate professors
- Extraordinary / ordinary professors
- Adjunct Faculty members
- Postdoctoral Researchers

b) To participate in the mobility, teachers must satisfy the following requisites:

- Being in service at Ca' Foscari University or having a teaching contract with the University of Ca' Foscari at the time of the mobility. Adjunct Faculty members who will undertake their teaching activity during the second semester only will be eligible on condition that they are able to prove that they have signed a contract with Ca' Foscari of Venice before the beginning of their mobility.

- Not residing in the country chosen as the destination for mobility.

3. Budget available

The National Agency for Erasmus+ INDIRE has allocated a total budget of **Euro 14.052,00** for teaching staff grants for 2019/2020 academic year. The number of people who will be able to benefit from the aforementioned grants will be determined after selecting the participants and on the basis of:

- Number of eligible applications
- Duration of the mobility as indicated by the candidates
- Type of destination (see the Grant Support section)

In the event that the number of applications is high and the mobilities proposed exceed the available budget, the Administration may draw up a list of suitable staff members who can benefit from the Erasmus+ mobility without receiving any Erasmus+ funding (zero – grant participants). Members of the suitable staff may carry out the mobility at their own expenses or with funds made available by the institute to which they belong, subject to authorization by the Director of the relevant Department.

The total budget may increase and therefore zero-grant participants might receive the European grant, should the National Agency for Erasmus+ INDIRE funds allocated to other mobility activities become available.

Should not all the National Agency for Erasmus+ INDIRE funds be allocated, the Administration may re-open the call for applications and award additional grants. The International Relations office – Mobility Unit will inform teaching staff as convenient.

4. Duration of the mobility and teaching hours

- a) The mobility must necessarily be undertaken after the participant has accepted the place and signed the grant agreement. The mobility shall end no later than September, 30th, 2020, as for the Erasmus+ Programme Regulation.
- b) The mobility may have a minimum duration of 2 working days and a maximum of 2 months, plus 2 days of travel (return ticket). **In any case, the University will finance up to a maximum of 7 days of mobility (5 days of teaching activities plus 2 travel days,) regardless of the duration of the university business travel.**
- c) For mobilities of up to 7 days (5 days of teaching activities plus 2 travel days) the minimum number of teaching hours must be 8. If the mobility lasts more than a week, the minimum number of teaching hours for additional days must be calculated as follows: 8 hours divided by 5, multiplied by the number of additional days.

- d) The duration of the mobility indicated in the application is binding and the participant will receive the European grant accordingly. Should the mobilities last longer, the International office cannot guarantee any funding for additional days. This is to ensure an efficient financial planning of all mobilities.

5. Destinations

Participants are to check the list of destinations published at <https://www.unive.it/pag/12601/>, and , via independent search, make contact with the university at which they intend to carry out the teaching period.

6. How to apply

A prerequisite for being eligible is the presentation of a work plan agreed upon between the sending and the host institution (the Mobility Agreement, available at: <https://www.unive.it/pag/12601/> and attached to this call for applications).

To apply, the participant is required to fill in the questionnaire available at <https://forms.gle/eMiiV4JvExRV53RLA> by **October 14th, 2019 at 12:00 (noon)**. When completing the questionnaire, the participant will be asked to attach the Mobility Agreement completed in all its parts and with all signatures. The required signatures are those of the candidate, the Director of the relevant Department and the contact at the host University. **Applications without a Mobility Agreement or with an incomplete and / or signature-free Mobility Agreement will not be accepted.** If the participant fills in the questionnaire more than once, the Evaluation Committee will consider the last version submitted before the deadline.

The participant can select and apply for one destination only. The teaching activity must be carried out exclusively at the host university indicated in both the Mobility Agreement and the grant agreement.

Additional funding is provided for participants with special needs. The additional support grant will be paid as a reimbursement based on real costs incurred during the mobility, after the International Relations Office – Mobility Unit has submitted the relevant request to the Erasmus+ National Agency INDIRE, and following the approval from the latter.

In order to apply for these additional funds, the participant will have to indicate their special needs when filling in the questionnaire, and book an appointment with the Mobility Unit within the deadline of the Call for Applications, in order to complete the relevant forms.

7. Erasmus+ grant

The selected participants will be awarded a grant for both individual support and travel expenses. The maximum amounts are calculated on the basis of the tables provided by the Erasmus+ National Agency INDIRE, as for the European Commission guidelines, and will vary according to the country of destination and travel distances.

a) Individual Support

The payment of the grant is subject to the delivery of documentation relating to the expenses incurred, for a maximum amount equal to the allowance indicated in the following table:

INDIVIDUAL SUPPORT (AMOUNTS PER DAY)

| | Receiving country | Amount |
|----------------|--|---------------|
| GROUP A | Denmark, Finland, Iceland, Ireland, Luxembourg, Sweden, United Kingdom, Lichtenstein, Norway | € 144 |
| GROUP B | Austria, Belgium, Germany, France, Italy, Greece, Spain, Cyprus, Netherlands, Malta, Portugal | € 128 |
| GROUP C | Bulgaria, Croatia, Czech Republic, Estonia, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, Former Yugoslav Republic of Macedonia, Turkey, Serbia | € 112 |

The following expenses are included in the daily repayable amount on presentation of receipts:

- meals
- accommodation
- local and public transport
- health insurance, pharmaceutical and hospitalization costs, in case the mobility is carried out in a non-EU country with which the Italian Ministry of Health has not signed a specific agreement (e.g. Turkey).

The cost of meals, accommodation and taxis must not in any case exceed the limits of the university business travel Regulations, that each participant must know, available at https://www.unive.it/pag/fileadmin/user_upload/ateneo/norme_regolamenti/regolamenti/amministrativo_contabile/missioni.pdf.

Only the expenses incurred during travel days and the days of teaching activity will be reimbursed.

Participants holding a VAT number are required to send an electronic invoice to the International Relations Office for all the expenses incurred during their mobility, as for articles 4 and 21 DPR 633/72 and article 54 of DPR 917/86. According to the University business travel Regulations, participants will not be able to ask for neither an advance payment nor the issue of a virtual credit card.

b) Travel costs

The grant is calculated on the basis of scales of unit costs by distance bands. The kilometric band refers to only one section of the journey, while the corresponding fare covers both the outward and return journeys. The payment of the grant is subject to the delivery of documentation relating to the travel expenses incurred, for a maximum equal to the amount indicated in the following table:

| Travel distance | Unit Cost |
|------------------------|------------------|
| 10-99 Km | € 20,00 |
| 100-499 km | € 180,00 |
| 500-1999 km | € 275,00 |
| 2000-2999 km | € 360,00 |
| 3000–3999 km | € 530,00 |
| 4000–7999 km | € 820,00 |
| 8000 km or more | € 1.500,00 |

Travel distances must be calculated using the distance calculator supported by the European Commission (http://ec.europa.eu/programmes/erasmus-plus/tools/distance_en.htm). The distance of a one-way travel must be used to calculate the amount of the EU grant that will support the round trip.

Travel insurance will not be reimbursed and may be purchased by participants at their own expense.

The place of departure (for the outward journey) and of arrival (for the return journey), shall be Venice Marco Polo Airport or Treviso Canova Airport, in case of air travel, Venezia Mestre or Venezia Santa Lucia railway stations, in case of train travel. In the case of justifiable economic necessity or logistics, the employee can leave from a different city, after consultation with the International Relations Office - Mobility Unit.

If the participant wishes to associate the Erasmus+ mobility with another University business travel of different nature and purpose, as regards the Erasmus+ funds the travel from the place of mobility to the other destination or the return journey to Italy cannot be reimbursed. As for the stay, it can be paid up until the last day indicated in the certificate issued by the host institution where the Erasmus+ mobility was carried out.

Travel arrangements are the participant's responsibility. The International Office cannot in any way pay in advance for the participant's expenses.

8. Grants allocation

The Evaluation Committee (made up of two members of the International Relations Office staff and two teachers,) will draw up a ranking list of both winners and suitable candidates based on the following criteria and scores:

- **WORKING PLAN:**
A **maximum score of 60 points** will be awarded to the evaluation of each participant's mobility agreement according to:
 - Overall objectives of the mobility
 - Added value of the mobility
 - Content of the teaching programme
 - Expected outcomes and impact

- **1st ERASMUS+/OVERSEAS MOBILITY IN THE LAST 2 YEARS:**
A **bonus of 40 points** will be awarded to the participant who has never carried out an Erasmus+ or Overseas Mobility in the last two academic years (2017/2018 – 2018/2019)

In the event of a tie, candidates who meet the rotation of the relevant departments and, in the second instance, the homogeneity of the applicants' roles (short term and permanent researchers, Associate Professors, Extraordinary / Ordinary Professors, Adjunct Faculty members, Postdoctoral Researchers) will receive preferential treatment.

The ranking will be published in the personal online area of the university website **by October 22nd, 2019.**

By October 28th, 2019 at 12:00 (noon), the winners and those eligible who intend to participate at their own expense or at the expense of the Department they belong to, must fill in the acceptance form published at <https://forms.gle/YnFAuvKDhma4REVj8>.

9. Before leaving

Each winner (or those eligible who will carry out the mobility using their own funds or those provided by their own Department), must make an appointment with the International Relations Office - Mobility Unit (erasmus@unive.it, 041 234 8064) for the signing of the grant agreement.

10. On return from the mobility period

Within 30 days from the end of the mobility and no later than October 15th, 2020, for participants whose mobility starts in September 2020, the participant will have to deliver to the International Relations Office - Mobility Unit:

- the teaching certificate
- the original copy of all bills of costs and receipts
- the balance sheet for the university business travel
- a final report on the teaching activity carried out
- any teaching material used during the mobility

FINANCIAL ASPECTS

The participant will receive a grant for the individual support and for the travel expenses, calculated on the basis of the rates established by the Erasmus+ National Agency INDIRE and indicated in the Call for Applications.

The grant will be paid upon presentation of the original copy of all bills / receipts of costs incurred. The payment of the grant is subject to the delivery of documentation relating to the expenses incurred.

The following expenses are included in the daily repayable amount on presentation of receipts:

- meals
- accommodation
- local and public transport
- health insurance, pharmaceutical and hospitalization costs, in case the mobility is carried out in a non-EU country with which the Italian Ministry of Health has not signed a specific agreement (e.g. Turkey).
- teaching certificate

Costs will be allocated on the basis of the date stated on the bills and the receipts. Exception shall be made for accommodation costs (the total expense will be divided by the number of refundable nights of accommodation) and for health insurance costs (which will be reimbursed for the days of mobility, travel days included).

Costs incurred at supermarkets for food will be reimbursed as follows:

- if the participant stays at a hotel, costs will be allocated to day when the bill/receipt is issued;
- if the participant stays in an apartment, costs will be divided by the repayable days of mobility, travel days included, starting from the date of issue of the bill or receipt.

Addition costs exceeding the maximum amount per day will not be reimbursed.

TRAVEL DAYS ELIGIBLE FOR THE FUNDING:

- The University will finance up to 2 days of travel (a return ticket)
- The number of travel days is to be indicated in the grant agreement in order to receive the funding.
- Shall the place of departure/arrival at the end of the mobility not be Venice, the participant must inform the Mobility Unit in advance.

MOBILITY DAYS ELIGIBLE FOR FUNDING:

- Only the actual number of days of teaching activities at the host institution which has signed the Mobility Agreement will be funded.

- The participant must carry out teaching activities during all the mobility period established by contract. Should there be days of disruption (e.g. closing days at the host institution), these will have to be indicated in the mobility certificate and will not be funded.

TEACHING ACTIVITIES ELIGIBLE FOR FUNDINGS AND FOR THE RECOGNITION OF THE MOBILITY:

- Lectures/Classes
- Seminars
- Tutoring activities

NB: For mobilities of up to 7 days (5 days of teaching activities plus 2 travel days) the minimum number of teaching hours must be 8. If the mobility lasts more than a week, the minimum number of teaching hours for additional days must be calculated as follows: 8 hours divided by 5, multiplied by the number of additional days.

TEACHING CERTIFICATE SIGNED BY THE HOST INSTITUTION

The teaching certificate is the most important document to be delivered to the office at the end of the mobility.

The certificate must state the date of beginning and conclusion of the mobility and the actual number of days of teaching activity.

The destination, the dates and the number of days of activity stated on the certificate must correspond to those stated on the contract signed by the participant before the departure, otherwise the mobility might be partially or completely cancelled.

Only the days indicated on the certificate will be financed.

Certificates attesting a number of hours of activity lower than 8 will not be accepted, and the mobility will be cancelled.

All activities included in the final report must necessarily correspond to those attested by the certificate.
