BANDO DI SELEZIONE OVERSEAS 2023/2024 - OPPORTUNITÀ DI STUDIO ALL'ESTERO NELL'AMBITO DEI PROGRAMMI INTERNAZIONALI DI SCAMBIO E DI COOPERAZIONE SCIENTIFICA E CULTURALE

Art. 1 - Descrizione

1. Gli accordi di cooperazione scientifica e culturale stipulati dall'Università Ca' Foscari Venezia con Università internazionali consentono alle studentesse e agli studenti dell'Ateneo di realizzare un'esperienza di mobilità internazionale per studio.

2. Le attività previste durante la mobilità consistono nella frequenza di corsi e sostenimento dei relativi esami presso le Università partner. Gli esami verranno convalidati e trascritti nel libretto online come preventivamente concordati con i docenti di Ca' Foscari, tramite compilazione di apposito Learning Agreement (il documento che riporta il piano di studi da seguire durante il periodo di mobilità internazionale). In aggiunta al sostenimento di esami, sarà possibile effettuare attività di ricerca per la tesi. Non è prevista mobilità per la sola ricerca ai fini della tesi, fatta eccezione per le studentesse e gli studenti iscritti ad un corso di Dottorato di Ricerca.

3. I requisiti richiesti alle candidate e ai candidati sono definiti dai singoli Accordi di Cooperazione e secondo i criteri concordati con le Università ospitanti così come riportato nell'allegato "A - Destinazioni". La definitiva ammissione delle vincitrici e dei vincitori proposti per i programmi di scambio spetta alle Università ospitanti.

4. L'effettiva partenza dipenderà dalle misure sanitarie e dalle indicazioni delle autorità italiane competenti, dei Paesi di destinazione, degli Atenei ospitanti e di Ca' Foscari in relazione all'emergenza sanitaria collegata alla diffusione del Covid-19 o a qualsiasi altra situazione emergenziale. Alla luce delle misure adottate dai singoli atenei ospitanti, i corsi potranno essere svolti anche online, in modalità a distanza.

Art. 2 - Destinatari del Bando e requisiti di partecipazione

 Potranno partecipare alla selezione le studentesse e gli studenti regolarmente iscritti per l'anno accademico 2022/2023 ad un Corso di Laurea, Laurea Magistrale o Dottorato di Ricerca che abbia sede amministrativa presso l'Università Ca' Foscari Venezia. 2. Non verranno ammesse alla selezione le candidature di chi, al momento della scadenza del presente Bando, sia iscritto al primo anno di un Corso di Laurea, non abbia ancora perfezionato la propria immatricolazione o sia iscritto a Corsi Singoli, abbia rinunciato alla mobilità nell'ambito del Programma Overseas nell'a.a. 2022/2023 a seguito dell'accettazione del posto, per motivazioni non riconducibili a cause di forza maggiore.

3. Al fine dell'ammissione alla selezione:

- a) le iscritte e gli iscritti **ad un Corso di Laurea** dovranno aver registrato nel proprio libretto telematico, entro le ore 23:59 del 11/01/2023:

5. In caso di trasferimento da altro Ateneo, passaggio interno di corso o opzione, sono validi per accedere alla selezione solo i CFU riconosciuti per il corso di studio attuale.

Fatto salvo quanto disposto dal comma precedente, per accedere alla selezione non sono conteggiati i CFU derivanti da:

- a) esami/tirocini riconosciuti da precedenti carriere concluse col conseguimento del titolo o a seguito di ritiro/decadenza o da altre attività, anche sostenute prima dell'immatricolazione, per le quali si sia ottenuto un esonero in carriera;
- b) esami sostenuti come corsi singoli precedenti all'immatricolazione al corso di laurea e/o laurea magistrale;

6. Le candidature delle studentesse e degli studenti con status di studente part-time verranno valutate singolarmente dalla Commissione di selezione considerando ogni caso nella sua specificità, per garantire una selezione equa e inclusiva allo stesso tempo. La Commissione valuterà anche l'ammissibilità della domanda. In caso di vincita e accettazione del posto dovranno rinunciare allo status di part-time prima della partenza.

7. Le studentesse e gli studenti iscritti al terzo anno o successivi di un Corso di Laurea potranno candidarsi per una mobilità da svolgersi durante il primo anno di Laurea Magistrale selezionando destinazioni accessibili agli studenti di Laurea Magistrale. Art. 4 - Modalità e termini di presentazione della candidatura

1. Le studentesse e gli studenti interessati devono compilare la loro domanda di candidatura online all'interno della propria Area Riservata nella sezione dedicata ai bandi di Mobilità, compilando tutti i campi e le sezioni richieste, entro le ore 12.00 dell'11/01/2023, pena l'esclusione.

L'Ufficio valuterà l'opportunità o meno di accogliere ogni singola segnalazione.

9. Non verranno prese in considerazione domande erroneamente compilate o incomplete.

Art. 5 - Selezione delle candidature

- 1. Il Settore Mobilità stilerà una graduatoria in base i seguenti criteri:
- Per le studentesse e gli studenti iscritti a Corsi di Laurea e Laurea Magistrale:
 - a) Media ponderata degli esami sostenuti, normalizzata rispetto alla media degli iscritti al Corso di studio di afferenza;
 - b) Velocità di carriera (rapporto tra numero di crediti registrati e anno di iscrizione);
 - c) Risposte al Questionario/Lettera Motivazionale (solamente in caso di pari merito).

Ai fini del calcolo della media e della velocità di carriera verranno presi in considerazione gli esami regolarmente verbalizzati e caricati nel libretto online entro la mezzanotte del 11/01/2023. Non verranno accettate autocertificazioni o dichiarazioni di docenti attestanti il sostenimento di esami non ancora verbalizzati al momento della scadenza sopra indicata.

• In caso di trasferimento da altro Ateneo, passaggio interno di corso o opzione, sono validi solo i CFU riconosciuti per il corso di studio attuale.

• Fatto salvo quanto disposto dal comma precedente, non sono conteggiati i CFU derivanti da:

- a) esami/tirocini riconosciuti da precedenti carriere concluse col conseguimento del titolo o a seguito di ritiro/decadenza o da altre attività, anche sostenute prima dell'immatricolazione, per le quali si sia ottenuto un esonero in carriera;
- b) esami sostenuti come corsi singoli precedenti all'immatricolazione al corso di laurea e/o laurea magistrale;

• Per le studentesse e gli studenti iscritti al 1° anno dei Corsi di Laurea Magistrale che non abbiano crediti verbalizzati entro la mezzanotte dell'11/01/2023, il dato della media verrà

sostituito da quello della votazione finale di Laurea (Triennale) convertita in trentesimi. Agli studenti che per l'immatricolazione al corso di Laurea Magistrale abbiano presentato un titolo di studio straniero il dato della media verrà attribuito d'ufficio e corrisponderà alla performance media degli iscritti al corso di Laurea Magistrale cui risultano iscritti nell'a.a. 2022/2023;

• A tutte le studentesse e agli studenti iscritti al 1° anno dei Corsi di Laurea Magistrale, verrà attribuito un bonus sul punteggio finale calcolato in base alla votazione finale di laurea convertita in trentesimi, secondo il seguente schema, e indipendentemente dal fatto che abbiano o non abbiano crediti registrati:

votazione finale di laurea convertita in trentesimi	bonus
Da 18 a 22,99	2 punti
Da 23 a 27,99	5 punti
Da 28 a 30L	10 punti

• Per le studentesse e gli studenti iscritti a Dottorati di Ricerca: lettera motivazionale e lettera del Supervisore;

• Verrà assegnato 1 punto bonus nella graduatoria finale come incentivo alla mobilità alle studentesse e agli studenti che non siano già vincitrici <u>o</u>vincitori di una mobilità Overseas per l'a.a. 2022/23.

2. La graduatoria verrà stilata in base al punteggio ottenuto e alle preferenze espresse in fase di candidatura. Si potrà risultare vincitrici o vincitori per una sola destinazione o riserva per più destinazioni. Le vincitrici e i vincitori non saranno inclusi nelle liste delle riserve.

Art. 6 - Graduatoria

1. Le graduatorie saranno pubblicate nell'area riservata del sito www.unive.it > mobilità internazionale > graduatorie il 31/01/2023. Eventuali rinvii dell'uscita delle graduatorie saranno notificati tramite avviso sul sito www.unive.it/overseas.

2. Sarà cura delle candidate e dei candidati prendere visione delle graduatorie: non verranno inviate comunicazioni o notifiche relative alla loro pubblicazione.

Art.7 - Accettazione del posto

 Le studentesse e gli studenti vincitori dovranno accettare il posto entro le ore 12.00 del 03/02/2023, pena esclusione, compilando l'apposito modulo online disponibile al seguente link <u>https://forms.gle/44D8za7KMrNUFQz68</u>

2. Il semestre scelto in fase di accettazione non potrà essere modificato successivamente, a meno che non si verifichino cause di forza maggiore o la modifica sia proposta da Ca' Foscari o dall'Ateneo ospitante. Le studentesse e gli studenti iscritti al terzo anno di un Corso di Laurea che intendano laurearsi nella sessione estiva o autunnale del 2023 dovranno programmare il loro periodo di mobilità per il secondo semestre dell'a.a. 2023/2024, previa iscrizione ad un corso di Laurea Magistrale. Non potranno svolgere la mobilità nel primo semestre.

Si consiglia di non pianificare la mobilità nel semestre in cui si prevede di laurearsi, perché i tempi di conclusione delle pratiche di mobilità a carico di Ca' Foscari e/o degli Atenei partner, potrebbero non consentirlo.

3. Le riserve non dovranno compilare il modulo di accettazione, ma verranno contattate esclusivamente via e-mail in caso di rinuncia da parte delle vincitrici o vincitori. Le riserve potranno essere convocate in caso di rinuncia da parte delle vincitrici o vincitori dal giorno successivo alla scadenza per l'accettazione del posto fino alla scadenza per le nomine definita dagli Atenei partner. Tale scadenza varia a seconda della destinazione. Le riserve sono invitate a controllare con frequenza la casella di posta elettronica <u>matricola@stud.unive.it</u> dal momento che i termini per l'accettazione del posto potranno essere ravvicinati in base alle scadenze imposte dalle università ospitanti. L'Ufficio Relazioni Internazionali si riserva la possibilità di interrompere lo scorrimento delle graduatorie qualora esigenze organizzative dovessero richiederlo.

4. Nei primi mesi del 2023 è previsto un incontro informativo per le vincitrici e i vincitori (la data e la modalità di svolgimento dell'incontro verranno comunicate via email a coloro che avranno accettato il posto).

5. Coloro che rinunciano alla mobilità dopo l'accettazione del posto perderanno il diritto a partecipare ai bandi Overseas per l'a.a. 2024/2025 e al 2° bando per l'a.a. 2023/2024, salvo documentate cause di forza maggiore.

6. Le partecipanti e i partecipanti al presente Bando che sono anche beneficiarie o beneficiari di una mobilità Overseas per l'a.a. 2022/2023 e che rinunciassero alla mobilità

relativa all'a.a. 2022/2023 dopo le selezioni per l'a.a. 2023/2024, decadranno anche dallo status di vincitori/riserve del Bando Overseas a.a. 2023/2024, salvo documentate cause di forza
7. Nel caso in cui l'Università ospitante richieda una certificazione linguistica a conferma di quanto autocertificato, questa dovrà essere presentata dalla vincitrice o vincitore entro i termini

stabiliti dall'università di destinazione stessa. Sarà responsabilità delle studentesse e degli studenti verificare requisiti e documenti richiesti dall'Ateneo ospitante. In caso di mancata accettazione da parte dell'Università ospitante dovuta alla mancanza dei requisiti linguistici richiesti, si potrà perdere il diritto a partecipare ai bandi Overseas per l'a.a. 2024/2025 e al 2° bando per l'a.a. 2023/2024. La decisione verrà presa dall'Ufficio Relazioni Internazionali sulla base dello specifico caso.

L'accettazione definitiva del candidato sulla base della graduatoria stilata da Ca' Foscari spetta in ogni caso all'Università ospitante, che potrebbe inoltre modificare in qualsiasi momento il numero di studentesse e studenti ammessi alla mobilità, anche in deroga a quanto indicato nell'allegato "A - Destinazioni".

Art. 8 - Status delle vincitrici e vincitori delle mobilità

1. Le studentesse e gli studenti ammessi allo scambio e accettati dall'Università ospitante devono essere in regola con il pagamento delle contribuzioni studentesche di Ca' Foscari per tutto il periodo di svolgimento della mobilità - manterranno così lo status di studentesse e studenti di Ca' Foscari e avranno al tempo stesso accesso a tutti i servizi che l'Università ospitante offre alle proprie studentesse e ai propri studenti. Saranno esentati dal pagamento delle tasse di iscrizione dell'Università ospitante e potranno essere ammesse e ammessi, a loro spese, ai servizi di mensa e alloggio e quanto altro previsto dalla stessa Università. Alcune Università potrebbero richiedere alla studentessa e allo studente un contributo per attività di orientamento obbligatorio, per l'assicurazione sanitaria, o altri servizi.

2. Al rientro dalla mobilità verranno riconosciuti solamente gli esami superati presenti nel *Transcript of Records* (il certificato rilasciato dall'università ospitante che riporta l'elenco degli esami sostenuti durante la mobilità) e approvati nel *Learning Agreement*. Non sarà possibile rifiutare voti di esami inseriti nel *Transcript of Records* come superati e presenti nel *Learning Agreement*.

3. Le studentesse e gli studenti iscritti ad un Corso di Laurea o ad un Corso di Laurea Magistrale che non supereranno alcun esame tra quelli presenti nel *Learning Agreement* incorreranno nell'annullamento della mobilità e non otterranno alcun rimborso, salvo documentate cause di forza maggiore.

4. Gli esami considerati parziali presso l'Università Ca' Foscari Venezia non danno luogo ad acquisizione di CFU e pertanto non potranno essere inseriti tra le attività didattiche da riconoscere al termine della mobilità.

5. Non possono essere inseriti nel *Learning Agreement* gli esami che danno diritto al riconoscimento del PF24CFU.

6. Le studentesse e gli studenti vincitori in partenza saranno responsabili, a loro spese, del visto per l'ingresso, della stipula e del pagamento degli importi delle assicurazioni internazionali (sanitarie o di altro tipo) eventualmente richieste dalle Università ospitanti. Queste ultime hanno facoltà di richiedere anche una certificazione medica relativa allo stato di salute delle candidate e dei candidati.

7. Le studentesse e gli studenti vincitori con cittadinanza extra UE dovranno accertarsi con congruo anticipo di:

- essere in possesso dei documenti di viaggio necessari per entrare e risiedere nel paese dove si svolgerà la mobilità, contattando l'Università ospitante e chiedendo quali documenti sono necessari per entrare e risiedere nel paese dove si svolge la mobilità (le procedure di immigrazione possono variare da Paese a Paese);
- richiedere i documenti necessari alle autorità preposte (le procedure di rilascio dei documenti potrebbero richiedere più di 90 giorni);
- avere un permesso di soggiorno italiano valido al momento del rientro in Italia.
 L'Immigration Team dell'Ufficio Relazioni Internazionali Settore Accoglienza è disponibile per fornire supporto (immigrationteam@unive.it).

8. Alcune Università ospitanti richiedono alle vincitrici e ai vincitori di dimostrare tramite certificazione finanziaria il possesso di fondi sufficienti al proprio mantenimento per il periodo di studio concordato.

9. Il periodo di mobilità non può essere anticipato o posticipato per poter partecipare alla sessione di esami o di laurea di Ca' Foscari.

10. Il periodo di mobilità potrebbe subire delle variazioni dovute a specifiche esigenze dell'Università ospitante.

11. Saranno valutate eventuali interruzioni e riprese della mobilità solo per cause di forza maggiore documentate. Le attività di mobilità di cui al presente bando non saranno garantite se i Paesi di destinazione si troveranno in una situazione di rischio, definita come tale dall'apposito

sito curato dal Ministero degli Affari Esteri e della Cooperazione Internazionale (<u>http://www.viaggiaresicuri.it</u>).

- 12. Durante il periodo di mobilità le studentesse e gli studenti non potranno:
 - svolgere attività didattiche presso l'Università Ca' Foscari Venezia (lezioni ed esami, anche se erogati da remoto);
 - conseguire il titolo finale di laurea;
 - svolgere attività di tutorato, collaborazioni studentesche, pratica di laboratorio, tirocini e attività sostitutive patrocinate dall'Università Ca' Foscari Venezia, anche se svolte da remoto;
 - in generale, svolgere attività che interferiscano con lo studio e le attività programmate nell'ambito della mobilità.

13. Sarà possibile svolgere un tirocinio durante il periodo di mobilità purché si tratti di un'attività promossa e patrocinata dall'Università ospitante, preventivamente approvata dal Coordinatore del Collegio Didattico del proprio Corso di Laurea/ docente referente per la mobilità e compatibile con il proprio visto. Ai fini del riconoscimento, il tirocinio così definito dovrà essere inserito all'interno del Learning Agreement. Eventuali altre attività di tirocinio possono essere svolte prima o dopo il periodo obbligatorio di permanenza stabilito dall'Università ospitante, ma non contemporaneamente.

14. Le studentesse e gli studenti con status di part – time che risulteranno vincitrici e vincitori dovranno cambiare il proprio status prima della partenza e risultare studentesse e studenti full –time per tutta la durata della mobilità.

15. Le studentesse e gli studenti in mobilità dovranno obbligatoriamente registrarsi sul portale del Ministero degli Affari Esteri e della Cooperazione Internazionale <u>https://www.dovesiamonelmondo.it/</u>.

Nonetheless they will not be allowed to carry out the mobility in the non-Italian University they are simultaneously enrolled at, under penalty of cancellation of the mobility offered by Ca' Foscari.

5. In case of transfer from another University, internal course transfer or option, only the credits earned for the study programme in which the student is currently enrolled shall be valid. Except as provided in the previous paragraph, credits earned from the following shall not be considered valid to access the Call for application:

- a) exams/internships acknowledged in previous academic careers concluded with the award of the qualification or following withdrawal/forfeiture or other activities, even held before enrolment, for which an exemption has been granted in the career;
- b) exams taken as single courses prior to enrolment in the Bachelor's degree and/or Master's degree programmes.

6. The eligibility of the applications of part-time will be evaluated by the evaluation Committee, which will consider each specific case in order to ensure an equal and inclusive selection. If selected, these applicants will have to request to change their status into full-time students before the beginning of their mobility.

7. Students enrolled in a third or subsequent year of a Bachelor's Degree Programme may apply for a mobility to be carried out during the first year of their Master's Degree Programme, provided that the Exchange Programme at the Host University is available to Graduate students. The above-mentioned students will have to be regularly enrolled in a Master's Degree Programme by the time of departure.

8. Students enrolled in an Inter-University degree course can apply to the present Call on condition that the administrative seat of their study programme is Ca' Foscari University of Venice.

9. All the students in the abovementioned categories must be regularly enrolled in a Bachelor's, Master's or PhD Programme within the deadline set by this Call for Application and must be up to date with the payment of Ca' Foscari's University fees both at the time of

departure and for the entire duration of the mobility period. Furthermore, they must have fulfilled all the (financial and non-financial) obligations related to other mobility programme(s) previously carried out.

Art. 3 - Contributions to the expenses offered by Ca' Foscari

1. The students selected through this Call for Application will receive a contribution to cover their expenses up to the maximum amount indicated in "Attachment B-Reimbursement". A further contribution of merit, equal to 25% of the contribution indicated in "Attachment B-Reimbursement", will be granted to students who will receive the recognition of at least 12 ECTS credits.

2. The contribution will be paid upon return from the exchange programme only if the student obtains the recognition of the mobility period.

3. In order to obtain the recognition of the mobility period, the student must complete all the relevant procedures, i.e.:

- send to the International Office, before departure, the Disclaimer and the Authorization Emergency Contact;
- send to the International Office all the documents listed at <u>www.unive.it/overseas</u> (Confirmation of Arrival, Learning Agreement, Confirmation of Departure) by the deadlines provided;
- complete the entire period of mobility defined by the host university and indicated in Attachment "A - Destinations";
- pass at least 1 exam during the mobility period with the exception of students enrolled in a PhD Programme;
- send to the International Office the Credit Recognition Form;
- fill out the final questionnaire that will be sent via e-mail;
- send to the International Office one or more of the following documents as proof of expenses incurred, up to the maximum amount provided: travel tickets, certified accommodation expenses, visa fees, health insurances, transport to and from the airport, textbooks, bills in the name of the winner of the call for application, etc.;
- fulfil all the requirements detailed in the present Call for Application, published at <u>www.unive.it/overseas</u> and possibly communicated via e-mail by the International Office, all the while maintaining a proper conduct.

All the above-mentioned documentation must be scanned and sent to <u>overseasout@unive.it</u> as soon as possible, and in any case strictly by:

- June 30th, 2024 for mobility carried out in the first semester;
- November 15th, 2024 for mobility carried out in the second semester.

The mobility contributions indicated in "Attachment B-Overseas Reimbursement" will be issued within 45 days of the presentation of the documentation listed in paragraph 2 of the present article and only on the University Account Card; it will be the student's responsibility to activate the card before departure.

4. Should the mobility be carried out in a virtual mode only, the contribution to cover the expenses will not be performed and students will not be required to submit proof of the expenses to complete the relevant procedures.

Art. 4 - Methods and terms of application submission

1. Students interested in the Call must complete their application online, by accessing their Personal Area > *Mobilità internazionale* > *Bandi di mobilità*. Students must fill in all the required fields and sections **by 12:00 pm (noon) on January 11th 2023,** under penalty of exclusion.

2. The application procedure is divided into two steps, both mandatory:

a) Fill in the Motivation Letter/Questionnaire;

b) Click on "iscrizione al bando", and select the destination(s) using the drop-down menu.

3. Students can select up to a maximum of 3 destinations, also indicating the order of preference. The choice of the destinations must be consistent with what indicated in the Attachment "A - Destinations" and on the website of the Host University, in terms of requirements for admission to the Exchange Programme and academic offer. The academic offer of the Host University must indeed be compatible with the course of study.

4. Students graduating in the extraordinary session of the degree programme, who are not required to pay the first instalment for the academic year 2022/2023 and who consequently cannot use the online procedure, can still participate in the present call. They must contact the International Office-Mobility Unit by 12:00 pm (noon) on January 11th, 2023 at <u>overseasout@unive.it</u> (indicating as subject: OVERSEAS CANDIDATURE 2023/2024 GRADUATE) the office will indicate the procedure to be followed to register for the call for application.

5. Students enrolled in a PhD Programme must submit - in addition to the online application - a letter from their Supervisor certifying the progress of their research work. The letter must be sent to <u>overseasout@unive.it</u> (indicating as subject: OVERSEAS CANDIDATURE 2023/2024 PhD) within the same deadline indicated in paragraph 1 of this article. The letter from Supervisor is an integral part of the application, therefore failure to send the letter will imply the exclusion from selection procedures.

6. Students who are simultaneously enrolled in in two degree programmes according to the provisions of The Ministerial Decree No. 930 of 29 July 2022 implemented the Law no. 33 of 12 April 2022 must select the career under which they wish to operate in their *Area Riservata* before applying. Students will be admitted to the selection and evaluated accordingly.

7. Applicants with disabilities are invited to contact the Mobility Unit of the International Office well in advance of the deadline of the Call, should they need support to submit the application, and to receive information on the services made available by the partner universities.

8. Any reports of technical malfunctions in the online application will be collected by the Mobility Unit of the International Office by the same deadline of the present Call for application, indicated in paragraph 1 of this article. The International Office will consider whether to accept each report.

9. Erroneous or incomplete applications, as well as applications submitted after the deadline will be discarded.

Art. 5 - Selection of applications

- 1. The Mobility Unit will draw up a ranking based on the following criteria:
- For students enrolled in a Bachelor's and Master's Degree Programme
 - a) Average mark of registered exams, normalised as compared to the average mark for students enrolled in the same study programme;
 - b) Career speed (ratio between the number of registered credits and the year of enrolment);
 - c) Questionnaire/Motivational Letter (only in case of *ex aequo*).

In order to calculate the average mark and career speed, only exams regularly registered by 23:59 on 11th January 2023 will be taken into account. Self-certifications or declarations issued by professors concerning exams taken but not registered by the above-mentioned deadline will not be taken into account.

• In case of transfer from another University, internal course transfer or option, only the credits earned for the study programme in which the student is currently enrolled shall be valid.

• Except as provided in the previous paragraph, credits earned from the following shall not be considered valid for the selection process:

- a) exams/internships acknowledged in previous academic careers concluded with the award of the qualification or following withdrawal/forfeiture or other activities, even held before enrolment, for which an exemption has been granted in the career;
- b) exams taken as single courses prior to enrolment in the Bachelor's degree and/or Master's degree programmes;

• For students enrolled in the 1st year of a Master's Degree Programme who do not possess a written record by 23:59 on January 11th 2023, the average mark will be replaced by the Bachelor's Degree Programme's final grade normalized into thirtieths. For students who submit a foreign qualification for enrolment in the Master's Degree, the average mark will be attributed *ex officio* and will correspond to the average performance of the students enrolled in the Master's Degree Programme in which they are enrolled in the academic year 2022/2023;

• All students enrolled in the 1st year of a Master's Degree Programme will receive a bonus on the final score calculated on the basis of their Bachelor's degree graduation mark converted into thirtieths, according to the following scheme, and regardless of the number of credits registered in their career:

degree mark converted into	bonus
thirtieths	
From 18 to 22,99	2 Points
From 23 to 27,99	5 Points
From 28 to 30L	10 Points

• For students enrolled in a PhD Programme: motivational letter and letter of the Supervisor;

• Students who were not selected for an Overseas mobility in the a.y. 2022/2023 will be assigned 1 extra-point in the final ranking, aimed at encouraging mobility abroad.

2. The ranking will be drawn up based on the score obtained and the preferences expressed by the students. Each student can be a winner for only one destination or a reserve for multiple destinations. Selected students will not be included in the reserve list.

Art. 6 - Ranking

 The ranking will be published in the Personal Area of the website www.unive.it > Mobilità internazionale > Graduatorie on January 31st 2023. Any postponement of the ranking list will be notified on the website <u>www.unive.it/overseas</u>.

2. It is the responsibility of each candidate to consult the ranking. Candidates will not receive any communication or notice related to the publication of the ranking.

Art. 7 - Acceptance of the place

Selected students must accept the place formally by 12:00 pm (noon), on February
 3rd 2023 by filling out the appropriate online form available at the following link
 https://forms.gle/44D8za7KMrNUFQz68, under penalty of exclusion.

2. The semester chosen upon acceptance of the place cannot be modified later, unless in cases of force majeure or if the change is proposed by Ca' Foscari or by the host university. Students enrolled in the third year of a Bachelor's Degree Programme who intend to graduate either in 2024 Summer or Fall session must plan their mobility period for the second semester of the academic year 2023/2024 only. They must indeed be regularly enrolled in a Master's Degree Programme at Ca' Foscari before the beginning of their mobility period. It is recommended not to plan the mobility during the semester immediately preceding the graduation session a student intends to participate in. As a matter of fact, the time required to conclude all procedures related to the mobility might compromise the graduation.

3. Students in the reserve list might be allocated a destination following the withdrawal of selected students. They will be contacted via email at their institutional email account, starting from the day after the deadline for the acceptance of the place until the deadlines established by each partner institution for the nomination. Reserve students are, therefore, invited to check their institutional email account frequently (matriculationnumber@stud.unive.it), as the

deadlines to accept the place might be tight. The International Office reserve the right to stop selecting reserves, should this be required by organizational needs.

4. Early in 2023 the International Office will host an informative meeting for selected students (the date and modality of the meeting will be communicated via email to the students who will accept the place).

5. Students who withdraw from the mobility after formally accepting the place will lose their right to participate in the Overseas Calls for application for the a.y. 2024/2025 and 2nd Call for the a.y. 2023/2024, except for documented evidence of force majeure.

6. Students participating in this Call who has already won an Overseas mobility for the a.y. 2022/2023 and who withdraw from the 2022/2023 mobility after the end of the 2023-2024 selection process, will not be considered as winners/reserves for the Call for application a.y. 2023/2024, except for documented evidence of force majeure.

7. In the event that the Host University requires a linguistic certification confirming selfcertification, this must be presented by the selected student within the terms established by the Host University itself. It will be the student's responsibility to verify the requirements and documents required by the Host University. Should the Host University fail to accept the selected student due to the lack of language requirements, the selected student may lose the right to participate in the Overseas Calls for application for the a.y. 2024/2025 and in the 2nd Call for the a.y. 2023/2024. The final decision will be made by the International Office, based on each specific circumstance.

The definitive acceptance of the candidate on the basis of the ranking drawn up by Ca' Foscari is in any case granted by the Host University, which could also modify at any time the number of students admitted to the Exchange Programme, also in derogation of what is indicated in attachment "A - Destinations".

Art. 8 - Status of winners and mobility

1. Students admitted to the exchange and accepted by the Host University must be up to date with the payment of Ca' Foscari University fees for the whole duration of their mobility. They will then maintain the status of Ca' Foscari students and they will have access to all the services that the Host University offers to their students. In particular, students will be exempted from paying tuition fees to the Host University and may be admitted, at their own

expense, to canteen and accommodation services and anything else provided by the University itself. Some Universities may require the student to pay extra-fees for compulsory orientation activities, health insurance, or other services.

2. At the end of the mobility period, only passed exams included in the Transcript of Records (an official document issued by the host university listing all the exams taken during the mobility) and correctly inserted in the Learning Agreement will be registered. It will not be possible to reject grades of passed exams featured in the Transcript of records and included in the Learning Agreement.

3. Bachelor's and Master's Degree students who do not pass any of the exams included in their Learning Agreement will have their mobility cancelled and will not receive any reimbursement for their expenses, except for documented evidence of force majeure.

4. Partial exams at Ca' Foscari University do not result in the registration of CFU. Therefore, students cannot insert partial exams among the academic activities they plan to have recognised upon their return.

5. Exams who are part of the PF24CFU cannot be recognized and thus cannot be inserted in the Learning Agreement and cannot be taken abroad.

6. Selected students will be responsible, at their expense, for the entry visa, payment of the amounts of international insurance (health or other) that may possibly be requested by the host universities. The latter have the right to request a medical certification concerning the health status of the candidates.

7. Selected students holding non-EU Citizenship must make sure well in advance that:

- they hold all the travel documents required to enter and stay in the country of their mobility, by contacting their host university, asking which documents are required to enter and stay in the country of their mobility (immigration policies may change from country to country);
- **apply for the necessary documents** by contacting the competent authorities (consider that the application procedures for travel documents may take more than 90 days);
- hold a valid Italian Permit of Stay at the time upon their return to Italy. The Immigration Team of the International Office – Welcome Unit may support non-EU student throughout the process (immigrationteam@unive.it).

8. Some Host Universities may require selected students to demonstrate, through a financial certification, the possession of sufficient funds for self-maintenance for the agreed period of study.

9. The mobility period cannot be brought forward or postponed in order to participate in Ca' Foscari University of Venice exams or degree session.

10. The mobility period may be subject to variations due to specific needs of the Host University.

11. Possible interruptions and resumed mobility will be assessed only for reasons of documented force majeure. The mobility activities referred to in this call for applications will not be guaranteed if there is a security risk in the destination countries, defined as such by the designated website managed by the Ministry of Foreign Affairs and International Cooperation (https://www.viaggiaresicuri.it).

12. During the whole mobility selected students cannot carry out the following activities at Ca' Foscari University:

- academic activities (courses and exams, even if provided remotely);
- graduation;
- tutoring activities, student collaborations, laboratory practice, internships and equivalent activities, even if carried out remotely;
- all activities that in general might interfere with courses and all activities planned in the frame of the mobility period.

13. It is possible to carry out a traineeship during the mobility period, provided that the traineeship is promoted and supported by the Host University, that it is pre-approved by the Teaching Committee Coordinator of the student's Degree Programme/by the professor in charge and that it is compatible with the student's visa. In order to obtain the recognition of the traineeship, the student must include it in the Learning Agreement. Any other traineeship can be carried out before or after the mandatory period of stay established by the Host University. 14. If selected for the exchange program, part-time students will have to change their status to full-time students before departure and maintain the full-time student status for the entire

mobility period.

15. Students must register on the portal of the Ministry of Foreign Affairs and International Cooperation: <u>https://www.dovesiamonelmondo.it</u>.

16. Students must comply with all the procedures indicated at http://www.unive.it/overseas and also possibly communicated via email from the Mobility Section.

Art. 9 - Privacy Policy

1. The candidate's personal data are processed in accordance with the applicable domestic and European Union laws and regulations (Legislative Decree n.196/2003 and EU Regulation 2016/679) and the processing is solely aimed at carrying out the selection process. For further details, please read the privacy policy attached to this document.

2. The provision of personal data is mandatory. It is necessary to evaluate the qualifications requested to take part in the selection process.
