Advanced Course Enrolment

a.y. 2024/2025

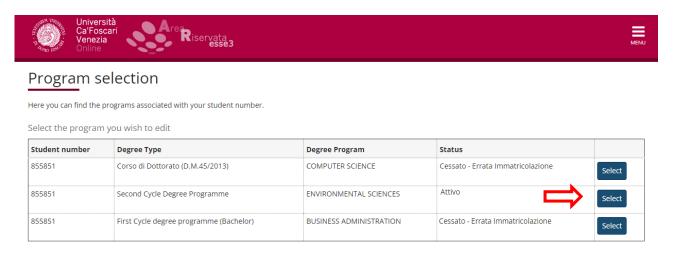

Ca' Foscari postgraduate or PhD students

IMPORTANT: Advanced Courses are free of charge for all Ca' Foscari postgraduate and Phd students, however further enrolments will be subject to payment (reduced contribution). It is possible to withdraw: more information at FAQs.

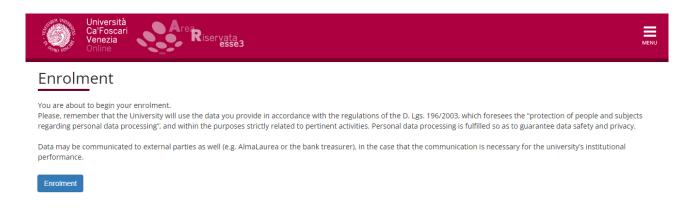

1. From your Personal area click on "Enrolment":

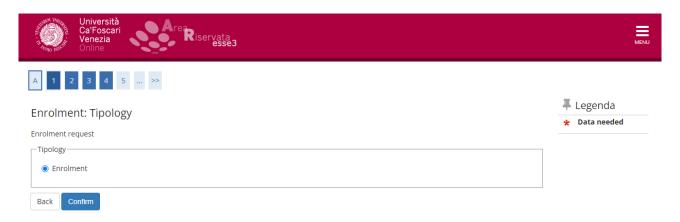

2. Click on the blue rectangle corresponding to your Master's degree programme:

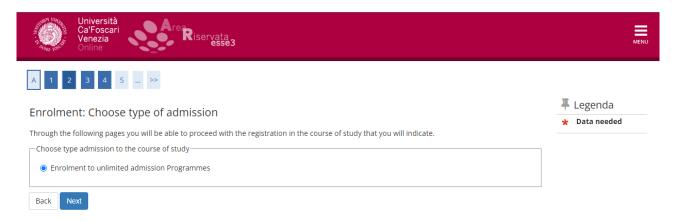

3. Click on "Enrolment":

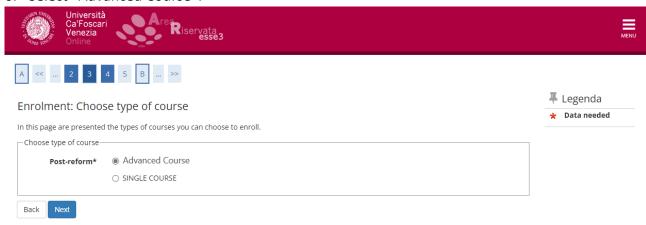

4. Select "Enrolment" and continue:

5. Select "Enrolment in open admission programmes" and continue:

6. Select "Advanced Course":

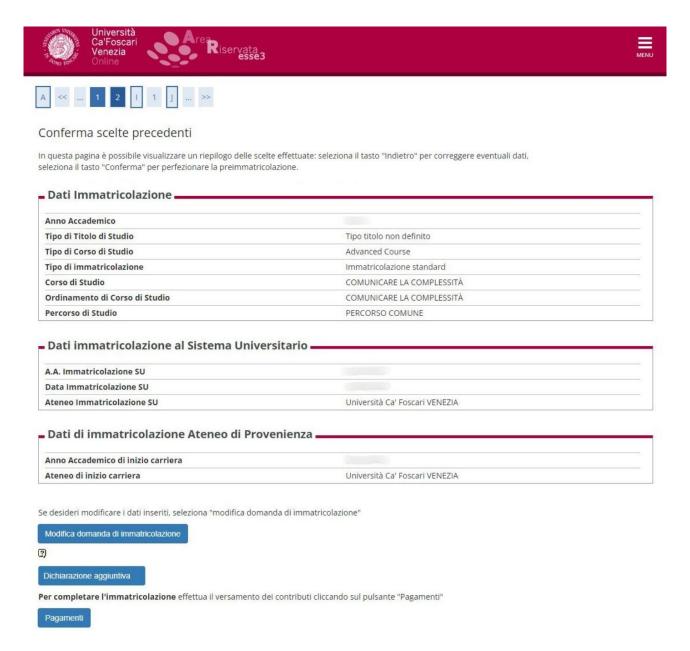

7. Select the desired Advanced Course:

8. Continue by clicking on "next" and "confirm":

9. Continue until you reach this screen:

You have completed the pre-enrolment procedure: if it is your first enrolment, you do not need to pay anything.

Lessons will be carried out with at least ten participants.

If the Advanced Course has a maximum number of participants, the admission of candidates will follow the chronological order. Enrolments received after the maximum number has been reached will be taken into consideration only in the event of withdrawal by some admitted candidates, following the chronological order as well.

At the end of the enrolment period, students who have applied will receive confirmation of enrolment.

Applicants will be notified via email if the Advanced Course is not activated.

IMPORTANT:

• If you have just completed the enrolment application for a Master's degree or a doctorate and are waiting for it to be finalised, you can access services with SPID. While waiting for the unive institutional account, it is possible to access Moodle by registering on this link: unive.it/registration. Once you have completed your registration and obtained your University credentials, you must them to access the services.
