EUTOPIA TeamWork

Call for Application
deadline: March 15th 2023

EUTOPIA TeamWork is a virtual international experience programme taking place part-time, for **four weeks in the summer**. It involves teams of students from EUTOPIA universities working together virtually on an organisation's project or challenge. TeamWork aims to give you international and intercultural experiences, plus virtual skills to enhance your employability.

The programme is open to postgraduate students from all degree disciplines. Prior knowledge or experience of a specific topic or sector is not necessary, so you can apply regardless of what you are studying.

Projects are provided by organisations from different industries around the world and from a wide range of sectors, so they will be broad and varied. For further information, please take a look at [TeamWork 2022 project list](#).

TeamWork 2023

EUTOPIA TeamWork will take place virtually for four weeks **from 26th June to 21st July 2023**.

Selected students must attend the **Induction Programme**, which will train the participants. The Induction Programme will be held in May 2023: activities will be carried out both online and on campus.

The students' commitment during the **TeamWork** is about **10 hours per week**.

Benefits:

- Develop your international experience, team working skills and networks;
- Career enhancing: build your CV and develop your employability skills;
- Life changing: find out more about yourself and explore your career options;
- Gain a global network of friends and meet potential employers.

Recipients and places available

10 Postgraduate students with an advanced knowledge of English (at least B2).

Admission procedure

The online procedure must be completed by **March 15th 2023**: <https://forms.gle/2QdQzNFDKkaHMgTcA>

Filling in the application form, you must upload an up-to-date CV. Please, ensure that the required documents are correctly uploaded. Incomplete application forms will not be taken into consideration.

Admission

ADiSS - Educational Programmes Office - Innovative Educational Unit
eutopia.teamwork@unive.it

A committee will assess the candidate's motivation, knowledge of English and CV. As part of the selection process, an online interview may be scheduled.

The final ranking will be published on [Eutopia's page](#) and selected students will be contacted via email by March 29th: students must confirm their participation by March 31st 2023. Candidates who fail to confirm according to the deadlines and procedures forfeit the right to participate. A repechage procedure shall be scheduled for any places still available.

Finally, whether the number of outstanding applicants were to be relevant, the committee could consider admitting more than ten students.

Attendance

Students must take part in the Induction Programme's activities.

During the TeamWork, you are required to attend all group meetings and work closely with your team to deliver the project.

Use of personal data

The personal data provided by candidates will be processed, in paper or electronic form, according to the regulations in force and included in the information available on the University website page: <https://www.unive.it/pag/34663>.

Responsible for the procedure

Dr. Matteo Ferrini, Director of Educational Programmes Office, is responsible for the procedure, according to Law n. 241/1990.
