- [CLA](#). The University Language Center organizes several language courses, such as English, French, German, Russian, Spanish. Online registration is compulsory;
- [VIU](#). The Venice International University is an international network of universities founded by Ca' Foscari in 1995. Incoming students can attend their English-taught courses in the Island of San Servolo. **ONLINE REGISTRATION IS COMPULSORY.**

Students **do not need to register to courses** (except for SIE, CLA and VIU)

**BUT THEY MUST SIGN UP TO EXAMS of ALL THE COURSES LISTED IN THE LEARNING AGREEMENT** (online procedure to be done about one week before the exam date).

**IMPORTANT:** starting from the a.y. 2023/2024, incoming students are no longer allowed to pick **single modules** out of a 2 modules course.

In other words, if they wish to take a course that amounts to 12 ECTS, and is split into two modules (6 out of 12 ECTS each), they will have to attend **both modules** and the exam will only be validated for 12 ECTS. If you fail to attend both modules, we will not be recognising the exam as passed.

Please find an example of a 12 ECTS course split into 2 modules. The course EM1A13 MODERN AND CONTEMPORARY ART is worth 12 ECTS, but split into two modules, each one amounting to 6 ECTS out of 12. If students wish to take this course, they must follow both modules, and will not be allowed to follow just one of them (not just MODERN ART or CONTEMPORARY ART, but **both**).

### ***ACADEMIC YEAR***

If the academic calendar of the year of the scheduled mobility is not yet available at the moment of the application, we suggest temporarily referring to the courses of the current year until the site is updated. In any case, Learning Agreements will be revised and updated (if needed) by the UNIVE Welcome Unit during the first month of the mobility.

## DEGREE PROGRAMME

When choosing a Degree Programme CHECK the course codes in square brackets:

For example:

## PERIOD

Students have to identify the period of the scheduled mobility. The academic year is divided into two semesters: Autumn (first semester) and Spring (second semester). Additionally, for the Economics and Humanities Areas, each semester is divided into two terms.

Students must choose courses offered in the semesters corresponding to their mobility.

## LEVEL

The level of the courses students wish to attend should correspond to their study level, as higher level courses often need pre-requirements. For ex., students attending a 1<sup>st</sup> cycle/undergraduate/1<sup>st</sup> level programme at their sending institution should choose only 1<sup>st</sup> level (Bachelor's degree) courses, **while** 2<sup>nd</sup> cycle students (Master's degree) are allowed to attend undergraduate (BA) courses.

However, if the home university agrees, Incoming students are allowed to choose courses from different levels.

## COURSE PAGE

When a course has been identified, students should carefully check all the details in its webpage:

In particular, it is advised to click on the “Programme” label and to scroll down the page in order to check the “Teaching language”. We highly recommend students to choose only courses of which the teaching language matches with their English / Italian language proficiency.

Concerning courses description, Ca' Foscari recommends considering the following indications:

➤ Incoming students will not be allowed to attend two or more equivalent courses. In order to check this, click on the course webpage, then on the “Professors and degree programmes” label, scroll down to check the label “Equivalent courses for other degree programme”.

## ***EXAMS***

Registration to exams is a compulsory procedure, to be done online, with the student's credentials, about one week before the exam date. The exact dates for the online registration are specified in your Personal Area, near to the course title or at [this link](#). The Welcome Unit sends a guideline to all international students with the detailed procedure for the registration.

## ***TRANSCRIPT OF RECORDS***

At the end of the mobility period, incoming students will receive their ToR, an official document with the details of each exam taken in Venice. Only passed exams will be in the ToR.

*In case of any doubts, incoming students can contact the Welcome Unit ([incoming.mobility@unive.it](mailto:incoming.mobility@unive.it)) or their Buddy.*
