

CHECKLIST – RESIDENCE PERMIT APPLICATION PROCEDURE (FOR STUDY PURPOSE)

If you are a **non-EU citizen** and plan to come to Italy for a period exceeding 90 days, you **must apply for a residence permit**. Find below the **PROCEDURE IN 6 STEPS**.

As soon as you receive either the post office receipt or the residence permit card, you must upload it to your University Personal Area by following [these instructions](#). Please be informed that if you do not upload these documents, the University will not consider you as legally staying in Italy and therefore you will not be able to access to students' services and, finally, to graduate.

STEP 1 – Pick up the application kit at the Post Office

Go to any Post Office (Poste Italiane) and ask for a residence permit kit. They will give you a white and yellow envelope with the application forms inside.

How to reach the Questura Police Office:

For students applying in Venice city and province, this is the address of the Immigration Office of the Questura Police Office: **Via Aurelio Nicolodi 21, 30175 Marghera**. From Venice “Piazzale Roma”, you can take the bus 6L and get off at the stop “Beccaria”.

We suggest you to go there in the early morning (about 8 AM). Even if they gave you a different time, they normally follow the order of arrival. The office is usually very crowded so be prepared to be patient. When you arrive at the Questura Police Office, you should take a ticket with a number showing the document with your appointment and follow a line.

IMPORTANT: If you are living in a different province or region, you are required to go to the Police Station of your district, written in the appointment sheet they gave you at STEP 3, with the date, time and address of your fingerprint appointment.

□ **STEP 6 – Pick up the residence permit card at the Questura Police office**

Approximately 4 weeks after the fingerprint appointment, you will receive a SMS on your Italian mobile phone number, giving you an appointment to pick up your card.

As soon as you receive the message, you can go to the Questura Police Office to collect your residence permit card, following these instructions:

- When: from Monday to Friday, 12 -13 pm;
- Where: Questura Police Office;
- What to bring with you:
 1. Valid passport;
 2. Post office receipt;
 3. Expired residence permit card (only in case of renewal).

We remind you that the **appointment is personal**, and it is not possible to send someone else to collect your residence permit.

As soon as you receive the card, please send a copy, back and front, to immigrationteam@unive.it. Please be informed that if we do not receive these documents, Ca' Foscari University will not consider you as legally staying in Italy and therefore you will not be able to take exams, enroll for next academic year, graduate.

USEFUL TO KNOW:

On the Post Office receipt, you will find two personal identification codes (user ID and password), that you can use on the website www.portaleimmigrazione.it to the status of your residence permit application.

The immigration team supports students throughout the immigration procedures. However, it is fundamentally the responsibility of the individual to gather information about the specific procedures, requirements and documentation needed by the Police. Thus, we suggest to always ask the officers if the provided documents are enough, because the Immigration Team is not responsible in case of receiving short-term residence permits.
