Henley Business School Rankings

Masters in Finance – 2020 Financial Times ranking

- UK top 5 (no. 36 in the world): The Masters in Finance, taught at the ICMA Centre, offers an applied and interactive approach incorporated into our teaching, and you will be exposed to industry experts and contemporary case-studies.
- UK no. 6 (no. 24 in the world) for careers progress
- UK no.4 for salary percentage increase

Henley Business School Rankings

Masters in Management – 2019 Financial Times ranking

- UK top 8: Our Masters in Management brings together the different disciplines within business and management in a unique learning context, blending immersive overseas study experiences and innovative teaching based on live projects.
- No.4 in the UK (no. 13 in the world) for careers progress
- World top 30 for salary percentage increase 3 years after graduation

Henley Business School Accreditations

Henley Business School Accreditations

- We are proud to be one of a selection of global business schools in the world to hold triple-accredited status from the leading UK, European and US accrediting bodies:
 - Association of MBAs (AMBA)
 - European Foundation for Management Development (EQUIS)
 - Association to Advance Collegiate Schools of Business (AACSB)
- Our triple-accredited status is a result of the quality and high standards of our courses and faculty. It means you can be confident of the high standard of teaching you will receive.
- Only 100 business schools worldwide hold triple accreditation (less than 1% of all business schools).

Double Master

The Double Master can be completed in either of the two following ways:

- Option 1.
 - Students will initially enrol on a Management or Economics Master's Programme at Ca' Foscari as well as at UoR (the specific Master's programmes are described further below).
 - Students will study for one year in Reading. On successful completion of their Master's at Henley they will receive a **Master's award from Henley Business School** and will begin the second year at Ca' Foscari with a 60 ECTS credit transfer.
 - After completing the second year, students will receive a **Master's degree (Laurea Magistrale) from Ca' Foscari**.
- Option 2.
 - Same as above but students do the first year in Venice and the second year in Reading.

Recruitment and admissions

In order to be enrolled on a Henley Master's Programme as part of this agreement students will need to:

- Meet the Henley Business school admissions criteria specific to the relevant programme;
- Meet UK Visas and Immigration criteria. See the UK [Border Agency website](#). Contact the University's **International Office** with any questions: intoff@reading.ac.uk
- Have successfully completed the first year at Venice (under option 2)

Henley Admissions Criteria

- Undergraduate Degree – Minimum 2:1 or the equivalent from an overseas institution (100/110 from a “laurea triennale” in Italy).
- Degree Discipline – Any degree discipline (but will need a satisfactory existing level of numeracy for finance masters).
- English requirement
 - IELTS: 6.5 with no component below 6.0 in any sub-skills
 - IELTS with pre-sessional English: 6.5 with no component below 5.5 in each of the four sub-skills
 - There are a number of alternative tests that are currently acceptable including a couple of totally online tests that don't require the person to attend a test centre (please contact postgraduate@henley.ac.uk for more information).
