AVVISO PER LA PRESENTAZIONE DI PROPOSTE PROGETTUALI

**Proposal template, pursuant to Article 5 of the call
Annex 2**

(To be provided in English only)

Project details

Acronym _____

Title _____

Duration (months): _____

Keywords (max. 5 words) _____

Project Area _____

Principal Investigator (PI) _____

Host Institution (HI) _____

Affiliation Institution (AI) _____

Research Organization _____

Abstract

A - Project description

(Describe the proposal, highlighting planned activities, working methods according to the levels of TRLs, objectives as well as expected results)

B - Description of the participating subjects

(For each participating subject, describe competencies and experiences, also underlining the knowledge transfer as to the research results and their exploitation potential)

Principal Investigator *(describe the PI's management capacity in terms of autonomous conduction level and coordination/organizational competencies)*

Host Institution

Affiliation Institution

Research Organization

Other parties (if any)

C - Innovativeness and originality

(Describe and motivate the innovation profile of the proposal compared to the international state of the art)

D - Expected impact

(Describe and motivate the relevance of the proposal in socio-economic impact terms as well as the capacity to introduce - within the economic and industrial context - significant and competitive product/process/service innovations)

E - Budget plan

Subjects	Activities			Total amount
	Fundamental research	Industrial Research	Experimental development	
Host Institution	- €	- €	- €	- €
Affiliation Institution	- €	- €	- €	- €
Research Organization	- €	- €	- €	- €
Total amount	- €	- €	- €	- €

Co-financing aspects

(Describe and also quantify the possible AI, HI or third parties financial support as to the grant reduction with respect to the applicable grant level according to the EU Reg 651/2014)

E - Time schedule

(Describe the project time schedule, providing a short description of the activities the project is articulated in)
