
Queerness in the Middle East and South Asia

Bibliografia orientativa e strumenti di ricerca nel web

a cura di

Jolanda Guardi

Dall'inizio degli anni '90 a oggi, i riferimenti bibliografici per chi desidera occuparsi di studi queer in generale e nei paesi oggetto del presente numero sono oramai molto numerosi. In questa sede vengono segnalati solamente quelli considerati essenziali per una visione d'insieme.

Lo stesso a maggior ragione per quanto riguarda la filmografia e la sitografia; le indicazioni sono di carattere orientativo per chi volesse cominciare un percorso di ricerca in questo senso.
