

## INSTRUCTIONS FOR GRADE CONVERSION – NEW ECTS SYSTEM

The grade of exam taken during an international mobility period of study can be converted in the 30-point scale, the following documents are required:

- Transcript of Records from the host institution with the description of the grading system with percentage distribution.
- Ca' Foscari table for grade conversion with cumulative percentages (it can be downloaded at [www.unive.it/ects-english](http://www.unive.it/ects-english))

The following example helps summarizing the main passages:

- Check the ministerial degree code (classe di laurea)

The student's degree course is Humanities.

Ministerial Degree Code L-10 → you can find it in description of each degree programme

The student spent a mobility period of 4 months at the University of Reading in the frame of LLP Erasmus programme and obtained the following grades:

COURSE TITLE	GRADE
Italian history	Second Class Honours Division (2:1)
Modernism	First Class Honours

In the description of the grading system, which is attached to the transcript of records, you can find the following percentage distribution:

GRADE	PERCENTAGE
First Class Honours	24 %
2:1	35 %
2:2	27 %
Third	14 %

- Calculate the cumulative percentage, if not available in the transcript of records

GRADE	PERCENTAGE	CUMULATIVE PERCENTAGE
First Class Honours	24 %	24 %
2:1	35 %	59 %
2:2	27 %	86 %
Third	14 %	100 %

- Compare the two grading system according to the cumulative percentages

I VENEZIA01	CUMULATIVE PERCENTAGE	UK READING01	CUMULATIVE PERCENTAGE
30L	7 %	First Class Honours	24 %
30	26 %	2:1	59 %
29	34 %	2:2	86 %
28	47 %	Third	100 %
27	59 %		
26	67 %		
25	75 %		
24	82 %		
23	86 %		
22	90 %		
21	93 %		
20	96 %		
19	97 %		
18	100 %		

- As a result, the grade conversion at Ca' Foscari can refer to the following intervals

First class honours : 30 – 30L

2:1 = 27 -29

2:2 = 23 – 26

Third: 18-23
