BOOK BY: May 10th

INSTRUCTIONS:

In order to receive a discounted rate at these facilities, students must have already confirmed their enrollment at our summer schools through payment of their fees.

When contacting these facilities, students should:

- **Write an email to the chosen facility**, [putting summerschool.international@unive.it](mailto:summerschool.international@unive.it) in copy.
- **Specify in the email which summer school they are going to attend**
- Specify if they have already a roommate they want to share a double room* with (the roommate should be another summer school student)

*For **students interested in sharing a double room** with another summer school student, you can fill out [this online form](#), which is only shared with our staff.

Once having received this information through the form, we will copy it on **this document: [link](#)**.

This document is shared only with students who have confirmed their enrollment through payment of tuition fees to one of our summer schools this year.

You can ask us to erase your information from this document if you change your mind or if you have found a roommate.
