*** 2024-25 - Courses recommended amongst elective credits**

Year	Term	Exam-code	Field code	Subject	Credits
3	4	ET4018	INF/01	Introduction to coding	6

* Students may add **Other competencies** (AOF) amongst elective or extra credits in their study plan, including a **MINOR**. For more information, please see www.unive.it/minor. Please note that Other competencies may be subject to a call for admission and and limitations in availability.

** Students can be exempted from the exam by presenting English language certificates (C1 level or higher) recognised by the University, www.unive.it/language-requirements. For further information please write to didattica.economia@unive.it.

* The 12 CFU should preferably be selected from the courses that have not already been chosen, or from the electives recommended for the degree course in the following list, or in any case from the formal courses offered in the degree courses in the degree courses in Economics and Business (ET4), Business Administration (ET11) and International trade and tourism (ET30). Any different courses chosen are to be authorised by the Teaching Committee which will verify whether they are coherent with the proposed programme (for the application timing and procedures please check page of the study course www.unive.it/degree/et4 at the path Study > Study plan). Coherence refers to individual study plans and will therefore take into consideration the suitability of the motivations supplied. The study plan will not be approved if there are serious inconsistencies.

Starting from the 2023-24 cohort, **English for Economics and Business** is offered in the **first year**.
1st year students enrolled in the 2024-25 academic year will refer to **CLASS 1** (CLASS 3 is reserved students enrolled in subsequent years).

PAY ATTENTION Prerequisites and priority exams
