Denominazione:
INTERNSHIP AT VEDPH

Responsabile: Prof. FRANZ FISCHER

e-mail: FRANZ.FISCHER@UNIVE.IT

Prerequisiti per la partecipazione (Essential requirements for participation):

a) To be students of the MA in Digital and Public Humanities

b) To have previous experience with one or more social media

c) To have a good command of English

Descrizione (Description):

The VeDPH (Venice Centre for Digital and Public Humanities) in the Department of Humanities of Ca' Foscari offers to the students of the Master programme in Digital and Public Humanities an internship of up to 150 hours (6 CFU) to collaborate on the following tasks:

· Participation and practical assistance at the VeDPH seminars. All the interns have to take part (possibly in-person) to all seminars.
· Communication through the VeDPH social media channels (X, Instagram, Youtube). VeDPH official language is English.
· Video editing.
· Take care of communication and dissemination strategies.
· Other occasional tasks related to VeDPH activities.

Please keep in mind that not every student should be able to do all the above-mentioned task.

The internship is open to a maximum of **2** students.

All the interested students must contact prof. Fischer by the 10 November 2024.

Calendario (Calendar):

The interns will start their training in late November – early December and can be in office until July 2025 or December 2025.

The Autumn series includes three seminars, to be held at 5.00 p.m. CET at the VeDPH Lab at Palazzo Malcanton Marcorà in the following dates:

13 November 2024 **Amanda Madden** (George Mason University)
Mapping Urban Violence in Venice and the Terraferma, 1500-1750 using GIS

27 November 2024 **Ulrike Wuttke** (University of Applied Sciences Potsdam)
DH globally, DH locally

5 December 2024 **Scott Robert Rettberg** (University of Bergen)
Cyborg Authorship: Writing with AI

The Spring seminar programme has not been defined yet.

Articolazione (Organization):

The interns have to attend all the seminars from the beginning to the end (possibly in person). They are encouraged to ask questions to the speakers.
The other activities will be discussed with the tutor and with VeDPH research facilitator, and appropriately defined, within the limits of the total hour number and the chronological span.
The number of credits (up to 6) will not necessarily be the same for all the students and will depend on the amount of work done by each of them.

Impegno complessivo e crediti (Commitment and credits):

Attendance: 20 hours

Individual work: 130 hours

Total working time: 150 hours

Si richiede il riconoscimento per gli studenti partecipanti di **6 CFU**.

To participant students **6 credits** will be granted.

Tipo di verifica (Verification):

The university tutor will guide and carefully check the work of all the interns.

Il Collegio didattico del Corso di laurea in DIGITAL AND PUBLIC HUMANITIES approva e attribuisce all'attività sopra indicata n° 6 (SEI) **CFU**.
