Mathematical Methods in Economics and Finance publishes original papers that contribute to the theory, methodology and applications in the areas of mathematical economics, financial mathematics, mathematical finance, actuarial mathematics, management science and operational research.

Papers may be submitted to any member of the Editorial Board via ordinary mail to the address: Dipartimento di Matematica Applicata, Università Ca' Foscari di Venezia, Dorsoduro 3825/E, 30123 Venezia, Italia, or via electronic mail to the address: mmef@unive.it.

Papers must be written in English according to the journal formatting guidelines (please download and use the template file *mmef-Template.zip* from the journal website).

All submitted papers will be double-blindly peer reviewed by at least two anonymous referees.

Free download of published papers is available from the journal website.
